These are the bi-district champion girl Eagles. They are from left in the top row: Joy Williams, Lynn Bowes, Penny Griffin, Lynette Slack, Kenda Hood, Cameron Davis, Leta Gill, Connie Stark, Ginger Currie and Coach Bob Schneider. In the front row are Patty Price, Marilyn Read, Kim Tucker, Kris Tucker, Debbie Rossi, Kenda Lampkin, Julie Coffman, Sheila Payne and Roxie Knox.

Score 121-9

Girl Eagles Whip Pecos

Canyon's girl Eagles soared into regional competition Monday night with a 121-9 win over a hapless Pecos team in bi-district play at Lamesa.

The girl Eagles will meet Boswell High School of Saginaw at 7 o'clock Saturday night in the Sweetwater High School Gym to decide the region.

Leta Gill alone scored 48 points for the Eagles Monday night even though she played less than half the game. She shot 33 times and made 21 field goals.

Every forward on the Canyon team scored.

The Pecos team hit for only two field goals—both in the fourth period—during the entire contest.

The girl Eagles attempted 12 free throws and made 11. They put the ball up 103 times for 55 field goals.

Boswell High beat Stephenville 66-51 Monday night in their bi-district tilt to advance to the regional.

Coach Bob Schneider said the gym at Sweetwater will seat 1,600 persons. Admission is $1.50 for adults and $1 for students.

Schneider said the Boswell team will be counting a great deal on their tall post girl who is 5 foot, 7. Adams is one of Boswell's best shooters. She scored 33 points in the Stephenville game.

Adams is a deadeye on the free throw. Most of her points Monday night were from the foul line.

Schneider again will be putting his hopes on the scoring prowess of Leta Gill, Lynette Slack and Marilyn Read.

For the front line defense he will be counting on Sheila Payne, Joy Williams and Cameron Davis.

This is the third year in a row that the girl Eagles have advanced to regional play. They were state champions two years ago and were runners up last season.

City Dads Meet Tonight

Canyon city commission will officially call a city election for April 6 at its regular meeting to be held at 7 o'clock tonight in the Community Center Building.

Deadline for filing for city commission is March 10.

Meal Ticket Price Hiked, Mandatory

A plan requiring campus residents at West Texas State University to purchase meal tickets will become mandatory beginning with the fall semester of 1971, according to Dr. T. Paige Carruth, dean of student life.

Dean Carruth explained that the students will probably be given options ranging from an agreement to eat 19 meals a week on the campus to plans for a lesser number.

The average cost to the students has been estimated at $380 per semester for residents of the older dormitories, $400 per semester for those living in the unit-type residences, and $440 for those living in the new high-rise dorms. He said that this figure was based on prices which would include 12 or 14 meals a week, and that those eating 19 meals would pay a somewhat higher charge.

Theme Set For Chamber Banquet

"The Land of Coronado" is to be the decorating theme of the annual Chamber of Commerce Banquet to be held in the East Dining Hall of WTSU Feb. 25 at 8 p.m.

Mrs. Phillip Brown, chairman of the decorations committee, said that her group would meet tonight at the home of Mrs. Don Max Vars to begin making table arrangements.

Committee members are Mrs. Jim Bob Brown, Mrs. Willis Harrison, Mrs. Eddie Knowles, and Mrs. Vars.

Tickets for the banquet are on sale at $5 each at the chamber office, 2010 4th Ave., or may be purchased from members of the board of directors.

Roland Black, manager, urges people to make reservations soon so that workers will know approximately how many to prepare for.

Canyon's Outstanding Citizen for 1970 will be named and Dr. Charles Jarvis, who is on the national circuit of the Knife and Fork Clubs of America, is to speak.

Girl Scouts including Rhonda Scott, daughter of Mr. and Mrs. Archie Scott and Carole Dooley, daughter of Mrs. Clare Dooley, will begin selling several varieties of cookies to Canyon residents this weekend. Here, Mrs. O. W. Parker makes her selection.

Cookie Sale Begins

About 200 Girl Scouts and Brownies will begin knocking on doors Friday with their annual offering of cookies.

Selling will continue until Feb. 27. Cookies will be delivered during the week after April 2.

The boxes will be twice as heavy this year and will sell for $1 each, according to Mrs. Lewis Hinders, who is the leader in charge of this year's sale. The money raised is used for the organization's expenses for the year and is their only fund-raising project, she said.

The girls will have five varieties of cookies available — sandwich cremes, Scot-teas, savannahs, mints, and fudge cremes.

Seek Applicants For Coaching Job

The Canyon Independent School District Board of Trustees unanimously voted Tuesday night to rehire Dunny Goode as athletic director of Canyon High School but voted to begin receiving applications for his head football coach position.

School Superintendent Jerry Jacobs emphasized to members of the press before the executive session began that the move had nothing to do with a relatively poor showing by the Eagle footballers this year.

"It has nothing to do with it as far as I'm concerned," Jacobs said. "I think Dunny has done an outstanding job both as an athletic director and head football coach."

Jacobs said the increased size of the Canyon athletic programs had forced the board members to consider employing a full time athletic director to handle details and arrangements for such a program.

"I definitely want Dunny as athletic director," Jacobs said before the meeting.

Dr. Dudley Moore, president of the board, called the group into executive session just before 9 p.m. The discussion concerning rehiring the district's professional employes did not conclude until shortly after 11 p.m.

Before the executive session, the board members sailed through the monthly report and district housekeeping chores and heard plans for a drug seminar and a new playground.

The board heard John Sommer, principal of Canyon High School, set March 3 and 4 as the dates for a drug seminar at the school, to be presented by the Canyon High School Key Club.

Sommer said the school will operate on half-day sessions both days and that students and faculty will be split into small study groups to hear guest speakers and see drug abuse oriented films.

"Our approach is that youth of today have a decision to make," Sommer said. "We hope they can make an intelligent decision. We want to provide as much information as possible to help them make the decis-

Insurance For Sheriff Is Refused

Randall County commissioners Monday refused to provide insurance coverage for Sheriff L.S. "Slim" Johnston.

Commissioner Bill Butler said that to provide insurance for the sheriff would set a precedent and noted that even justices of the peace might even expect to be covered.

Sheriff Johnston argued that he should have the coverage and pointed out that justices of the peace do not normally make emergency calls.

"We run for offices for what ever salaries were set down for them and should carry our own insurance," Commissioner Jim Fletcher declared.

"I'll have to carry it myself if you don't," the sheriff said.

In other business, the court accepted a report by Metropolitan Ambulance Company of Amarillo for January. The firm reported that it had received $1,064.12 paid in for ambulance calls and had made $411.37 worth of calls considered uncollectable.

The county pays the company $200 a month and a similar amount to LaGrone Funeral Home in Canyon.

The Amarillo firm made 59 calls in Randall County during the month.

The court opened bids from West Texas State Bank

Candy Wins Again, To Vie Nationally

Candy Carpenter, daughter of Mr. and Mrs. H.K. Carpenter, won the Music Teachers Association divisional contest for voice Saturday and with it $700 and the right to compete on the national level.

Miss Carpenter, a senior at Canyon High School, will travel to Chicago, Illinois, to compete in the MTA national competition March 22-26. The winner in Chicago will receive $1,000 and will win a guest appearance with the Chicago Symphony Orchestra.

In Divisional competition Miss Carpenter sang a repertoire of five songs including "Ain't It a Pretty Night" from the musical "Susannah" by Floyd; an "Aria" from "The Marriage of Figaro" by Mozart; "Why" by Tchaikovsky; and "Le The" by Koechlin.

The talented soprano will audition for a voice scholarship at Texas Christian University this week.

Miss Carpenter recently portrayed the lead role of Sarah Brown in the CHS musical "Guys and Dolls" and was Faye Templeton in last year's CHS musical "George M."

She has been a member of the All-State choir for the past two years and won first place honors at the National Association of the Teachers of Singing in November. In December she won the soprano division at the Texas Music Teachers Association competition in Austin.

Probation Given In Drug Trials

The 47th District Court jury hearing the Bryan Anthony Thomas case Tuesday took only 15 minutes to find him guilty of sale of marijuana but deliberated almost twice as long before setting punishment at 10 years probation.

Thomas, 19, of 1504 S. Bowie in Amarillo, was found guilty of selling a matchbook of marijuana to Amarillo undercover narcotics agent Mrs. Carolyn Cox on the afternoon of Dec. 5, 1969.

Mrs. Cox testified she first met Thomas Oct. 15, 1969 at Elwood Park in Amarillo, where the "Moratorium" was being held. She said she observed a man give Thomas four marijuana cigarettes that were to be exchanged for LSD tablets.

The undercover agent, who had successfully posed as a high school senior, told the jury she had purchased hashish from the defendant on Nov. 5, 1969 and that he offered her hashish Dec. 4. but she asked him to obtain a different type of marijuana called "Gold" for her.

Mrs. Sam Thomas, mother of the defendant, testified that Mrs. Cox was a frequent guest in her home because of her relationship with the defendant's older brother, Arthur Thomas, 20, now of Oklahoma City.

"It was a very genuine affection, one for the other," Mrs. Thomas said. "They were in love."

Mrs. Thomas said the two "often walked in with their arms around each other" and that she occasionally saw "them sort of kiss each other."

Mrs. Cox, who was married and had a small child at the time of her narcotics investigations, denied that she had been in love with Arthur Thomas. Under direct examination by Dist. Atty. George Dowlen, she said she saw a lot of Arthur Thomas because "he was using narcotics and that was my job."

"He did provide me with a lot of information that I passed along," she said.

Mrs. Thomas admitted that Bryan had told her he used narcotics but denied that he had told her he sold drugs.

Miss King Second In All-State

Nancy King placed the highest of five Canyon students making the All-State Band, by winning the second chair clarinet spot in the All-State Symphonic Band.

Miss King is a sophomore at Canyon High School.

Stephen Rhodes, senior baritone player, was seated third chair in the Symphonic Band and Brad Garner, freshman flutist, ranked ninth chair in the Symphonic.

Teddi Crager, sophomore flutist, was seated in the sixth chair of the All-State Concert Band and Doug Rittenberry, sophomore clarinet student, sat twenty-first in the group.

Both All-State Bands performed at the Texas Music Educators Association clinic-convention held in Houston this past weekend.

Buffs Compiling Excellent Record

Two years ago when the West Texas State basketball team was invited to the National Invitation Tournament (NIT) it came to this point in the season with a record identical to this year's.

Again the Buffaloes of Coach Dennis Walling are faced with winning most of their remaining five games to be considered for a post-season tournament.

The Buffs, with a five-game winning streak, ended a five-game home stand Wednesday night against Pan American, a team they beat 91-76 at Edinburg a month earlier.

They will depart Friday on a trip to Abilene, Arlington and Las Cruces, N.M., for return games with Hardin-Simmons Saturday night, Texas-Arlington Monday night and New Mexico State next Thursday night.

West Texas State defeated all three of them at home in building a 15-6 won-lost record, the same as two years ago.

Then, as now, the Buffs had an important contest at Hardin-Simmons. The Cowboys upset West Texas State 122-118 in overtime and knocked the Buffaloes out of an NCAA playoff berth. They went on to the NIT, however.

"Although we have defeated four of the five teams left on our schedule," Walling said, "we cannot afford to take them lightly."

Of the remaining five teams, only the Houston Cougars won 90-71 at Houston last month and who come to the Amarillo Coliseum March 1 in the season finale, have defeated the Buffaloes.

COVERING FUMBLES

I was irritated as I drove behind the poor old fellow trying to find his way;—then I thought with compassion that we ull look stupid when we do not know our way.

Coach Dennis Walling, left, and Athletic Director and Head Football Coach Gene Mayfield discuss plans at a press conference held Saturday. Mayfield is on campus this week and is busy assembling a staff and getting acquainted with athletes.

WT Jr. Livestock Team Places 8th At Ft. Worth

The junior livestock judging team of West Texas State University placed eighth in overall team standings among 16 teams at the Southwestern Exposition and Fat Stock Show in Fort Worth last week.

Swine judging brought a team of high of sixth place and two individual highs of fourth for Mike Culwell of Tulia and sixth for Dick Cummins of Canyon. Eighty contestants were entered in the competition.

The team ranked seventh in sheep judging and Culwell was sixth high individual.

West Texas compiled enough points in horse judging for a 10th place and secured an 11th place in cattle judging.

Cummins and Culwell were among the top 20 judges of the contest.

Team coach John McNeill, WTSU animal science instructor, said the next contest will be the Houston Livestock Show and Rodeo March 5. The sophomore judging team will accompany them, he added.

Susan Bonifield Wins Essay Contest Trophy

Susan Bonifield, daughter of Mr. and Mrs. Dyer Bonifield, was named the essay contest winner at Rex Reeves Elementary School.

The award, a trophy, was given to Miss Bonifield for her essay "Why I Like To Read," by the Heritage Woman's Club.

The sixth grade student was one of approximately 35 competing in the contest. She is in Mrs. Bill Webb's class at Rex Reeves.

Mrs. Olan Lehman was chairman of the club project. Others on her committee were Mesdames Bob Chester, Ronnie Gordon, and Jimmy Perry.

Miss Bonifield's essay entitled "Why I Like To Read" is printed below.

Why I Like To Read

Books are like roads. They can take you anywhere. China, India, or to a place no one has ever seen before. Some take you to meet many different people. Some of these people are white, others are black, red, or maybe even purple or green. In a book however, color doesn't matter. If a person is sweet and kind you like him. If he's mean or unkind you do not like him.

In a book you're not always you. You may be a dog, a person, or a small yellow thing with ten legs and five eyes.

Opening a book is like opening a door. A door to freedom, to slavery, or a door to love. You learn to get involved. You learn to love and to hate, and to understand. You learn to laugh, and to cry. You learn to have faith, to believe in yourself,

SUSAN BONIFIELD

and to trust everyone. You learn about people. And you learn about you.

Books are the paths to peace and success. If you read you can be or do anything. You can read about hobbies, history, or science. You name it and you can read about it.

Whatever your handicaps may be, you can do whatever you want to do. If you are lame you can walk. If you are deaf you can hear. And if you are blind you can see. (This you read from the Bible).

While reading in Alaska you may be getting a sun tan. While reading in the Sahara desert you may be swimming or ice skating.

Learning, loving, hating, but mostly being you. This is why I like reading.

The West Texas Exes Board of Directors will meet at 7:30 p.m. Tuesday in the Hosea Foster Room on the WTSU campus.

The agenda will include discussion of the Faculty Excellence Award and the upcoming Phoenix Club banquet.

Our World

BY ANN BROWN

God created every man an individual—down to his fingertips. Being individuals, we resist being forced into identical molds. Before communists can achieve the "Utopian" world government, individuality must be destroyed. Sensitivity training is being used as a vehicle of that destruction.

Encounter sessions, human relations, group dynamics—or whatever label they carry—are frequently conducted in complete silence. They may continue in marathons lasting from 12 to 48 hours, with little food and no sleep.

The participants are commanded to fell—not think. After they become "sensitized," they are encouraged to express their feelings in the frankest manner possible.

They are coerced into expressing their inmost thoughts—and the baser the better. Everyone must criticize himself and the other group members in the most "realistic" terms. Anyone who refuses to do so is ridiculed as insincere and hypocritical.

Sadists and masochists are allured to encounter sessions. The sadists usually become leaders because of their ruthless boldness. Verbal voyeurs enjoy vicariously experiencing other people's sex lives.

The whole process tends to attract the basest people, and to bring out the worst in everyone present. Sensitivity training probably wormed its way into our society on the good reputation of group therapy—sometimes even uses that name. Actually the two are diametrically opposed.

Group therapy is conducted by skilled, experienced professionals. The sessions seldom last more than an hour, and are carefully guarded lest anyone be degraded or emotionally damaged. The purpose is to rebuild sick egos—not destroy healthy ones.

The mind meddler is far more dangerous than the mugger. Unskilled dabbling in human emotions is like probing a gas tank with a lighted match.

Individual expression, however, must be suppressed before we can have social and economic leveling. Like Pavlov's dog, Sensitivity victims are conditioned to respond on the animal level. They are forbidden to talk or think— just feel and act in obedience to the commands of the trainer.

Perhaps human nature cannot be changed—but human behavior can. It was just this kind of conditioning that converted decent Germans into Hitler's murderous mobs.

Many American students, teachers, social workers, policemen, industrialists, and others are being forced to submit to sensitivity training. And it is being advocated among pastors, community leaders, mental health personnel, etc.

The goal of the sessions is usually to reveal all ambitions, values, fears, worries, repressed desires, and guilt-ridden deeds for group discussion and judgment.

The ideal group is well mixed as to sex and race. Typically, members sit on the floor in a circle, bare feet touching, and holding hands. The more "progressive" groups may disrobe entirely. This aids in "relating."

Anyone who dares walk out of a session is scorned as negative, uncooperative, old-fashioned, or sick. When all have been stripped of human dignity, privacy, and self respect, they are properly "sensitized" to each other.

Then the group may be told to forget everything and every person outside the room, live for the moment, express love for each other, and rejoice together. Any "honest" expression is permissible.

It is almost incredible that free-thinking Americans would submit to such a degrading process—and they won't for long. Freedom is the most ineradicable human drive. Man was born to be free.

Any denial of human rights eventually leads to disaster. But must we wait until the dirt begins falling in our faces before we rebel? If we do not want to be buried, let's express our natural individuality, and reject Sensitivity Training regardless of where or in what guise it appears.

Mrs. Hall Conducts Series On Sewing for HD Clubs

Home-sewing provides a "satisfying outlet for self-expression and creativity," says Mrs. Becky Hall, Randall County home demonstration agent.

Since there is an increase in home-sewing, the agent and the Home Demonstration Council have planned four clothing programs for the first half of 1971.

February's program is titled "Fitting Patterns." In April she will discuss "Fitting Pants for Women" at home demonstration meetings. On May 27, she has scheduled a special interest program on "Sewing with Polyester Fabrics."

The first in the series was on pattern selection and was presented to the county's eight home demonstration clubs during January.

Mrs. Hall says that four basic measurements — bust, waist, hips and back waist length — will help a woman select the pattern which conforms best to her own size and figure type. Companies vary in the way they interpret figure type, warned the home demonstration agent. Each has developed a pattern shape of its own, while keeping the same basic measurements on the measurement chart.

Mrs. Hall went on to say that few women have the body proportions set up for commercial pattern standards. Slight-to-major pattern changes are necessary for many, but choosing the correct size, type, make and style of pattern will keep alterations to a minimum, she said.

Among the classic alterations Mrs. Hall discussed at February club meetings are those for square shoulders, sloping shoulders, short neck, full bustline, raising and lowering the underarm dart point, and hipline changes. Members have been encouraged to bring their own fitting problems for individual help.

At the April meetings on making pants, Mrs. Hall will give hints concerning measurements to take, pattern selection, and suggested construction techniques.

Mrs. Hall says that pattern-company estimates indicate that almost 44 million women make 500 million garments a year in the United States. These homemakers spend $2 billion on fabrics and $400 million on new sewing machines annually.

In addition to self-expression, Mrs. Hall feels that many women sew for the sake of economy and quality. The woman who sews at home can save sixty or seventy per cent on most garments she makes, and clothing made at home is likely to be of better quality and to fit better, she said.

MRS. EUNICE KING

Nurses. . .

(Continued from Page 1)

Amarillo Hospital District, has been appointed acting head of the program and will discuss it at this session. Other members of the staff of the Northwest Texas Hospital School of Nursing who have been given joint appointments until permanent appointments can be made are Miss Peggy Stewart, Mrs. Edna Williams, Mrs. Edith Rust, and Mrs. Patsy Britting. University officials have appointed a committee to seek faculty members for the program.

Mrs. King is a graduate of the Northwest Texas School. She earned the bachelor of science degree from WTSU, where she was a member of Kappa Delta Pi Honor Society in Education and Alpha Chi national scholastic honor society. She received her master of education degree from West Texas in 1966. She has done additional study in Nursing Service Administration and Management at the University of Texas and with the Texas A&M Extension Division.

She has been president of the Texas State Board of Nurse Examiners for the past two years, having been appointed to the board in 1965 by Governor John Connally. A charter member of the American Hospital Association Society for Nursing Service Administrators, Mrs. King has served a term as president of the Texas League for Nursing and served for four years on the National League for Nursing Board of Review for Accrediting Diploma Programs in Nursing.

nahan said it was a case of "you having a little girl that was hurt."

"Was she genuinely, totoally, 100 per cent in love with Art," Carnahan asked. "Was that the motive? Was she out to get him?"

Dowlen said that before Mrs. Cox had ever met Arthur Thomas she knew he was "a dealer in narcotics."

"You didn't hear any testimony about love, sex or revenge," Dowlen said.

District Judge E. E. "Gene" Jordan told the jurors when they retired to deliberate on guilt they could "take the exhibits of marijuana with you to the jury room but do not, and I repeat do not, experiment with it," to which even the defendant laughed.

After the guilty verdict was delivered, Carnahan asked the jury during the arguments on punishment "how can you go wrong giving the boy probation?"

"It is better to place him on probation than send him to Huntsville to make license plates where he will be around criminals, homosexuals, and con men of all kinds."

Dowlen said Thomas was "attempting to sell drugs to what he thought was a high school student" and that he felt probation was not warranted.

The district attorney said after the trial he was "very disappointed the jury did not put an admitted drug pusher in the penitentiary but that is what the jury system is all about."

Dowlen said he did not think that probated sentences given two convicted drug dealers this week represented any sort of a trend.

"You have to remember that one of the sentences was given by a judge and the other by a jury," he said. "I still plan to ask judges and juries to put pushers in the penitentiary."

It was the second time this week for probation to be granted in Randall County on a narcotics violation. Monday James Robert Frazine of Amarillo drew a 10-year probated sentence.

Frazine was charged with selling marijuana to Amarillo police undercover agent Mark Brown in April of last year. The probation was granted by Judge E. E. "Gene" Jordan.

al feeding facilities, the mandatory meal ticket is an absolute necessity," said Dr. Carruth.

Recommendations to build additional residence halls and dining facilities were presented to President James P. Cornette in Feb. 28, 1969, said Dr. Carruth. The president warned the committee that the building of new dining facilities would necessitate a return to mandatory meal tickets and the group made a unanimous recommendation that they be required, he said.

Had the committee not voted for the new buildings, Dean Carruth feels that they would not have been built.

Committee members included representatives from the women's and men's residence hall councils, the Student Senate, the Association of Women Students and the director of food service, the deans of men and women, WT's business manager, and the director of student financial aids.

ion."

The New Hope Singers, a nationally known singing group who will be appearing in Amarillo, will appear at the final assembly of the seminar. The group has been inserting anti-drug messages in their programs, according to the principal.

The school board adopted the 1971-72 school calendar, which will have the Christmas Holidays running from Dec. 20-Jan. 2 and the Easter Holidays from March 27-31.

The 10 teacher in-service days will include Labor Day, although it will be a holiday for students, and one Saturday, May 27. Jacobs said the only alternatives would be to shorten the Christmas Holidays or to add days to the end of the school year on May 27.

The board voted to re-employ the administrative, supervisory and counseling staff for the 1971-72 school year, which includes all principals and assistant principals, administrative assistants, program directors, counselors and the tax assessor-collector.

Jacobs named the first week in March as "Public School Week" in the district and set Feb. 28, a Sunday, as the official open house for the new junior high school.

"We have not planned on a formal program in the auditorium," Jacobs said. "We thought of simply an open house between the hours of 2:30 and 5 p.m."

Delbert Shearer, director of the Amarillo Parks and Recreation Department, was present at the meeting to hear the board members vote to negotiate on a co-operative venture to obtain park facilities on the school grounds at Gene Howe Elementary School.

Shearer said the department has a program where the cost of development of such facilities are shared by the department and the school system, with the schools paying for materials and the park department paying for labor, and later the park department maintaining the property and the schools paying for the water.

Shearer said the big cost in such a project would be the sprinkler system, and that he would estimate a total cost of $18,000 would be necessary for the sprinkler system, grass and trees.

Principal Luther Lawless told the board members that if new grass is not laid this spring the school property will be unable for safety reasons to support an organized athletic program this summer.

Board Vice President Wesley Cox said, "I think we need to get our name in the pot. We will find the money somewhere."

The board voted to put auxiliary employes on the same sick leave rate as other employes of the school district, and set sick leave at five days a year for 10-month employes, five and one-half days for eleven months employes and six days per year for twelve month employes.

Board members unanimously approved all financial reports and accounts payable submitted for their consideration.

"The Legislature may prescribe such other eligibility requirements for participation in these programs as it deems appropriate.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, in providing rehabilitation and any other services included in the federal laws making matching funds available to help such families and individuals attain or retain capability for independence or self-care, to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any needy person shall not exceed the amount that is matchable out of federal funds; provided that the total amount of State funds paid for assistance grants for needy dependent children and the caretakers of the children shall not exceed Fifty-Five Million Dollars ($55,000,000) during any fiscal year.

"Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

"Nothing in this section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this State."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on May 18, 1971, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment removing the limitation on the total State appropriations for assistance grants for the needy aged, the needy disabled, and the needy blind, and setting a limitation on total State appropriations during any fiscal year for assistance grants for needy dependent children and the caretakers of such children."

Eagles Wipe Out Hornets In Season Finale 111-58

The Canyon Eagles downed Tulia Tuesday night on the Hornets' home court by a score of 111 to 58 to finish the season with a 7-3 district record.

The Eagles led the scoring all the way with the first quarter score 28-12 and 55-21 at the half. By the third period it was 88-33 with the Eagles taking the victory by a 111-58 margin.

"Everyone played in every quarter," Coach B.B. Kendrick reported.

Mike Podzemny was high point man with 27 points. Other Eagles in double figures were Dorse Pennington with 21, John Dodson with 15, and Willie Johnson with 13.

Canyon pulled down 34 offensive rebounds and 48 defensive rebounds for a total of 82 for the game.

On the back boards Bill Moore was credited with 10 rebounds. Dorse Pennington pulled down 11, John Dodson 10, and Mike Podzemny 12.

Canyon hit 41 out of 86 from the field for 48 per cent and hit 29 out of 49 at the charity line for 60 per cent. Tulia was charged with 33 team fouls while the Eagles had only 21.

The Canyon cagers beat Tulia earlier in the season by the score of 72-40.

Over-all season record for the Eagles was 20-13.

"I felt we had a real good season, all things considered," Coach Kendrick stated. "We had a lot better season than most people expected us to have."

"All the credit goes to the kids," he continued. "Their total effort was outstanding. Desire made up for talent during our district ball games."

Child Care Study Center Will Open

The training and research center of "Our Gang Schools," a newly formed day care center firm, is to be established at 605 W. 4th Ave. Remodeling of the building is being done by Donnie Ruthart, general contractor.

Executive offices will be in Amarillo at the Bank of the Southwest Building. "Our Gang" Schools plans to construct, supervise and license day care centers in the United States and Canada. Its name was adopted by arrangement with one of the original "Our Gang" children, Mrs. Alana Loshbough, who is a stockholder and serves as a consultant.

Officials said feasibility studies are being made in Albuquerque, Amarillo, Lubbock, Oklahoma City, and Wichita Falls to determine the needs of day care centers serving those areas. A sitter service is also being planned.

The Canyon center is being established so that the firm can work with West Texas State University in the areas of curriculum and personnel training.

Junior Livestock Board To Pay Exhibitors

The board of the Randall County Junior Livestock Association has voted to borrow money to pay show exhibitors so that FFA and 4-H members will not have to wait until buyers pay the association. The officers also voted to add two performance classes to the Livestock Show's horse department.

The board met Tuesday night at the association's barn.

A sifting committee to be selected by the executive committee will choose animals for future shows, said Walter Cranmer, president.

A proposal to allow Bonded Duroc Farms to hold its sales at the association barn was presented to the group by Chamber of Commerce president Eddie Knowles. The board voted approval, providing no city ordinance forbids the arrangement.

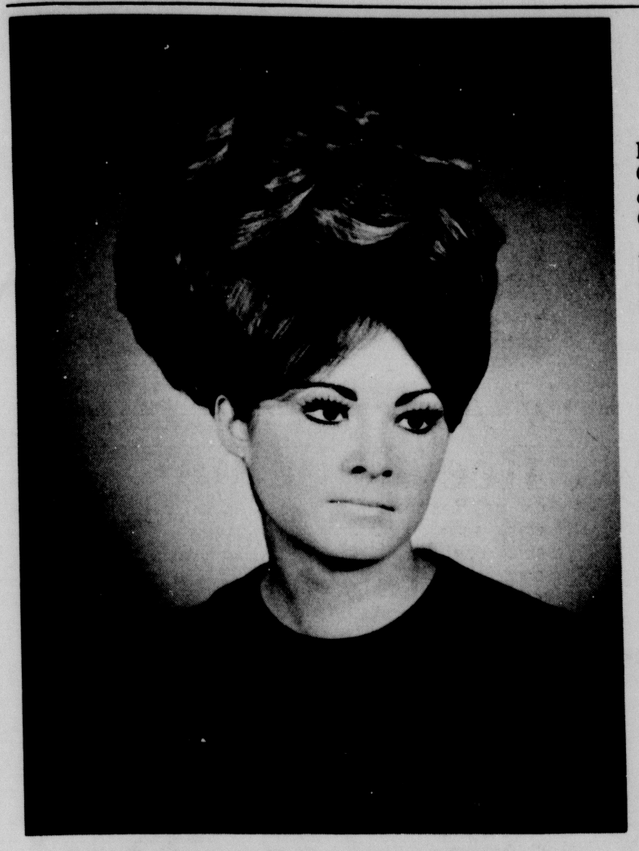
Miss Brown Weds George Cox In Vernon Ceremony



Miss Peggy Ann Butts

Miss Butts To Wed

Mr. and Mrs. Barnard L. Butts of Route I, Quanah, announce the engagement and approaching marriage of their daughter, Peggy Lynn, to Charles Hester, Jr., son of Mr. and Mrs. Charles A. Hester, Sr. of Canyon.

The bride-elect is a graduate of Quanah High School and attended Navarro Junior College where she was a member of the Senoritas Drill Team. Miss Butts will graduate from Amarillo College of Hairdressing in March.

The prospective groom is a junior government major at West Texas State University.

The couple have set August 15 as a tentative date for their wedding.

Miss Mary Euvonda Brown became the bride of George Nelson Cox Saturday in the Central Christian Church of Vernon.

John Allen Chalk of Abilene, Church of Christ minister, officiated the double ring ceremony.

Dr. and Mrs. William Howard Brown of Vernon are parents of the bride. Parents of the groom are Mr. and Mrs. Wesley Cox of Canyon.

The sanctuary was decorated with an arch of cathedral candles and wild smilax flanked by two candelabra trees, also decorated with wild smilax. Twin arrangements of white snapdragons, fujii mums and greenery were placed on each side of the altar.

The pews were marked with smilax and white ribbon rosettes.

Traditional wedding music was played on the organ by Mrs. Johnny Walker. Earl Davidson of Irving sang "More" and Malotte's "The Lord's Prayer".

Given in marriage by her father, the bride wore a floor-length formal gown designed with an A-line silhouette of white satin with Venice lace adorning the high stand-up collar and cuffs of the bishop sleeves. The lace was repeated in panels on the front of the gown, extending from shoulders to the hemline, and encircled the Watteau chapel train.

Her elbow length veil of English silk illusion cascaded from a coif of Venetian lace flowers. She carried a cascade arrangement of small japette orchids and stephanotis accented with English ivy and velvet tubing.

Miss Susan Nowlin served the bride as maid of honor. She wore an avocado gown of satin designed with an empire waistline, round neckline and long full sleeves. The long skirt swept into soft fullness to the floor. Her headpiece was a four-tiered halo of illusion attached to a Dior bow. She carried an arm bouquet of yellow Dutch iris and gypsophila tied with yellow velvet streamers.

Misses Karyn Johnson and Susan Cox, sister of the groom, Suzanne Henderson, and Betsy Palmer served as bridesmaids. Each wore a gown identical to the maid of honor.

Joe Hicks of Frankston served as best man. Darrell Osborne of New York City, N.Y., Steve Missildine of Houston, Ronnie Wooten, and Jim Lindsey of Abilene were groomsmen.

Barry Cox, brother of the groom, and Austin Brown, brother of the bride, were ushers.

The wedding party was honored with a reception in the church fellowship hall immediately after the ceremony. Guests were greeted by Mrs. Lloyd Hill and Mrs. Hollis Miller.

The bride's table was covered with an imported linen and Battenberg lace cloth. The table featured a four-tiered wedding cake decorated with roses and topped with a cherub holding lillies of the valley. A four-branch candelabra held white tapers and an arrangement of white snapdragons and tulips.

A memory candle encircled with lilies of the valley graced the round register table which was covered by an heirloom cutwork cloth accented with embroidery. Misses Cindy Woodbridge of Amarillo and Susan Barnett of Odessa presided at the registry.

Mrs. T. W. Daniel and Mrs. C. V. Nowlin served at the bride's table. They were assisted by Misses Frances Neil of Tulia, Betty Noe, and Kris Ochsner of Amarillo, Lynda Nelson of Tulsa, Oklahoma, Sherry Sandlin of Beeville, and Mesdames Murl Sanderson, Lester Blair, Bryan Standlee, and D. M. Dickey.

Mrs. Cliff Southerland played music throughout the reception. Others in the house party were Mesdames Jim Geer, Albert Littlefield, John Liles, Frances Roberts, Carl Flores, Owen Carpenter, Tom Turkett, and Homer Pearson.

The bride wore a three-piece double knit suit with navy pleated skirt and double-breasted coat accented with daffodil yellow trim matching the blouse and accessories. She wore the orchid corsage from her bouquet.

Following an undisclosed honeymoon, the couple will be at home at 2611 6th Avenue in Canyon.

The bride graduated from Vernon High School in 1967 and is currently a senior elementary education major at West Texas State University. She is a member of Chi Omega sorority and Delta Psi Kappa Honorary physical education sorority.

The groom is a 1965 graduate of Canyon High School and a 1969 graduate of Abilene Christian College where he was a member of the Sub T 16 social club. He is presently occupied as a rancher and farmer and working on his Master's degree at WTSU.

Spring Sports To Begin At University

Spring sports at West Texas State get underway this week with the tennis, track and baseball teams in action across the state.

The tennis team, sporting national title winners, visited Hardin-Simmons Wednesday and participates in the Corpus Christi Team Tourney today, Friday and Saturday.

In their first year in big-time collegiate tennis, West Texas posted an 18-11 record last season. Several nationally ranked teams, including Missouri Valley Conference champion North Texas State, fell to the Buffaloes.

Little Leo Estopare, St. Louis, Mo., senior, again will lead the team. He compiled a 23-6 record and was 7-0 against Southwest Conference foes. His biggest victory was against Tico Carrero of Rice, the defending SWC champion. Estopare is a former national junior college doubles champion.

Paul Tobin, also from St. Louis and a former national junior college singles champ, will be another court threat for the Buffs. Last year, as No. 2 singles player, he won 18 matches and lost 11.

West Texas State's young track squad faces the best the Missouri Valley Conference has to offer at the indoor meet in Des Moines, Iowa, this weekend.

"I feel like the team is a good, solid track squad. If we can keep our poise and compete under pressure, we definitely will be a contender in most events," Coach Bob Kitchens says.

One of the bright spots in the WTSU track picture is junior college transfer Harvey Hudspeth, third-place winner in the 880-yard run at last year's national junior College meet. The 150-pound Clovis, N.M., junior has been clocked in the 880 at 1:52.2 and "is quite capable of a 1:50 flat," Kitchen says.

Kitchens also expects good performances from Bill Mason, Annapolis, Md., freshman, a 9.6 sprinter; Jim Hogan, Buffalo, N.Y., sophomore, a 4:20 miler; Randy Thomas, Borger sophomore, a 13:7 high hurdler.

Baseball Coach Bob Sloan has engagements at Texas-Arlington Friday and Southern Methodist Saturday. The Buffs hope to improve on last season's record of 25-10-1, one of the best in the school's history.

Buffs golf Coach Vern Farquhar will again concentrate on tournament play, rather than duel matches, and will open the season at the Border Olympics in Laredo March 3-6.

Canyon Capers Loses Banner

The Canyon Capers held their regular dance Monday night with Knox Day calling the dances.

LeRoy Pitt gave the guest tip. Both Canyon banners were lost to the Pistols and Petticoats and the Reddy Squares.

A plaque was presented to the club sweetheart Betty Thomas.

The Capers will hold their 9th anniversary dance at the Rex Reeves Elementary School on February 27. Knox Day will call the dances.

The group dances each Monday night at the Junior Livestock Building.
